But Mr.Chaly, counsel for the 3rd respondent submits that the work of the water treatment plant is already over and that the same is in place. The authorities of the Pollution Control Board had inspected and were satisfied regarding the performance of the water treatment plant. Under these circumstances the Writ Petition will stand disposed of with the following directions:

The 2nd respondent will pass appropriate orders on the consent application submitted by the 3rd respondent on the basis of the report of the inspection already conducted by them in the premises of the 3rd respondent and the 3rd respondent upon receiving consent will produce the same before the 1st respondent, who will thereafter pass final orders on Exts.P1 and P2.
